

Centricity™ Services

Computer-Based Training

Boost your staff's efficiency with Centricity Practice Solution through self-paced training.

The screenshot displays the GE Healthcare Healthcare Learning System (HLS) interface. The top navigation bar includes 'Home', 'My Profile', 'Support', 'Calendar', and 'Logout'. The user is logged in as 'Byron Black'. The main content area is titled 'CPS PM Administration Module Introduction' and features a 'Course Listing' with various modules such as 'CPS PM PMAD Administration Module Introduction (3m6s)', 'CPS PM PMAD0 Config Tool - Data Import Tool (34m10s)', and 'CPS PM PMAD1 Create New Schedule Template (27m31s)'. A sidebar on the left contains 'Course Resources' and a 'CPS Customer Survey (Optional)' button. A right sidebar offers 'Manuals/Companion Guides' and 'Additional Resources'.

Available 24/7, computer-based training tutorials (CBTs) from GE Healthcare help your staff work efficiently with Centricity Practice Solution – whether their job focus is front desk, patient chart or back office.

What We Offer

- Over 100 lessons for Centricity Practice Solution Practice Management cover tasks that range from booking appointments to posting insurance payments.
- More than 30 Centricity Practice Solution Chart lessons walk staff members through its main functions, user interface and common workflow scenarios, including task and orders management.
- Centricity Practice Solution A/R Accelerator modules quickly orient front- and back-office staff so they can make full use of the product to improve accounts receivable.
- Courses for system administrators give guidance to help set up Centricity Practice Solution to flawlessly support your practice workflows.
- Our role-based course guides for Centricity Practice Solution Practice Management and Chart recommend relevant modules for staff members, based on their primary job duties.

“The web based training was helpful and I actually picked up some new tabs and quick ways to use the electronic health records without any added stress.”

How You Benefit

- Staff members become proficient on new product features quickly.
- Training can be taken on any PC connected to the internet.
- Staff members work at their own pace and convenience, with training available 24/7.
- Learning can start even before the Centricity Practice Solution software is installed.
- Newly hired or promoted staff get up to speed quickly and learn best practices. This avoids relying on advice from co-workers, who may give inconsistent instruction.
- No need to wait for scheduled classes or lose travel time.
- Training courses can be revisited at any time, as often as needed.
- CBT courses are updated as new features or substantial changes are made to Centricity Practice Solution.
- There's no limit to how many staff members can train.
- CBT completion reports can be tracked by your designated staff.

Get training now to improve productivity in your practice

Staff members at companies like yours completed more than 100,000 CBT lessons last year. Help your staff do their jobs better with computer-based training – available by subscription, in 3-month and 12-month durations.

To purchase Centricity Practice Solution Practice Management libraries for Centricity Practice Solution PM, CPS Chart or A/R Accelerator, contact Inside Sales at inside.sales@med.ge.com.

“Great refresher courses! Learned some new tricks I was not aware of!”
